COMMENTS FROM THE TOWN MANAGER'S OFFICE

Several people have turned in their declaration list of Polls and Estates. The form is in the center of the town report. We have a large supply of blanks for persons who didn't get a town report and for persons who make a mistake filling out the form.

I find that the declarations returned this year are filled in better than past years. Item three, Real Estate should list only changes from last year.

Changes include purchase or sale of land or buildings. Changes also include alterations to buildings such as improvements to structures or removal of old buildings. Most of the other items are self-explanatory. If there are questions about how to complete the form, you can call the town office or bring the form in and we will assist you in answering the question properly.

The assessors will be in session all day on April 1, 1965, in the office of the selectmen to receive lists of polls and estates.

The session gives anyone an opportunity to talk to the assessors about valuations.

The declaration are a great help in making out the tax list for a year. People move to town or leave town or male residents reach 21 years of age without a word to the assessors. If you want a tax bill and have not been taxed in the past, make out a declaration or call the office. In that way everyone will be accounted for.

I might mention again that dog licenses are due and should be paid on or before April 1, 1965. The licenses can be purchased from the town clerk.

Wayne Perry, who recently completed basic training at Ft. Dix, N. J., is remaining at that post as a squad leader in the Advanced Infantry Training Regiment.

"SKIING UNLIMITED" FILM TO BE SHOWN AS CARNIVAL FEATURE

"Skiing Unlimited," Jim Farnsworth's newest SKI-ORAMA 90 minute film spectacular will be presented at Bingham Auditorium of Gould Academy, at 8:30 p. m., Saturday, March 13, as a highlight of the first Winter Carnival of the Greater Bethel Chamber of Commerce.

Tickets are now on sale in the Bethel area, and by Chamber members. Adults will profit by buying tickets in advance, while student, and child tickets will be priced the same for advance, and "at door," purchases.

Jim Farnsworth, who has been filming skiing and skiers for a decade, will be bringing his camera with him, and, hopefully, will be gathering some footage for his production for showing next season. The film, "Skiing Unlimited," includes footage from the North Conway and Sugarloaf areas which will be of interest, as well as scenes from across the U. S. and Canada, as well as European ski resorts.

Farnsworth's films are well-known for the variety of scenery, and action, skilled and humorous, which they contain, made more enjoyable by his Stabilized Filming technique.

FAMILY SKI RACES TO BE HIGHLIGHT OF BETHEL WINTER CARNIVAL

Family ski races at both of the local ski areas—Mt. Abram in Locke, Mills, and Sunday River in Newry—will highlight Saturday (March 13) morning activities of the Greater Bethel Chamber of Commerce Winter Carnival.

The races are scheduled to start at 10:30 a. m., and each family may race at which stop it wishes, with the same general regulations, and format, at both.

The families who place in the first five spots on Saturday, will be eligible to compete in the Grand Championship of the Carnival, at Sunday River Skiway, on Sunday morning.

Requirements are that each family entry must be composed of three members of an immediate family. At least one must be a parent; at least one must be a junior, (under 18); and at least one must be a female.

The race will consist of three parts—a short giant slalom; a slalom; and an obstacle race. Any one of the family may enter any one of the races. Combined times will decide the winning family, so which member does which part, will figure toward the winning strategy.

Mrs. Estelle Goggin was honored guest at a luncheon at the Red Rooster on Thursday with hostesses Mrs. Herschel Glines and Mrs. Robert Scott.

Mrs. Goggin was presented with a corsage and a plant from the group. Guests were: Caroline Brooks, Viola Laxton, Pearlina McMillin, Sally Ramage, Louise Lincoln, Ruth Brewster, Dorothy Moore, Edith Rowe, Edith Eypner, Helen Jacobs, Florence Thurston, Ruth Ames, Polly Myers, Betty Anderson, Helen Roderick, Erma Thompson, Helen Berry, Louise Day, Marie Nichols, Nell Valentine, Eva Bean, Florence Bean, Colia Gorman, Betty Laws, Martha Scott, Mr. and Mrs. Herschel Glines, Sadie Vachon, and Marguerite Scott.

METHODIST EXCHANGE EVANGELISM SERVICES

The Methodist Church will be holding three special evangelistic services on Friday, Saturday and Sunday, March 19, 20, 21. The Friday and Saturday services will be at 7:30 p. m. The services will present a new concept of evangelism in that the services will be shorter than usual (about 45 minutes) and there will be an opportunity for attendees to discuss implications of the messages in discussion group afterward. Refreshments are to be served the discussion groups and the concluding activity of the evening will be the reporting of ideas discussed in the small groups to a moderator.

The speaker for the two weekday services and the Sunday morning service, which will be held at 10:30 on Sunday, is the Rev. John Hoffman of the Strong and Phillips Methodist Churches. He is married, has two children, is a student at Boston University School of Theology, and originally comes from Maryland. His experience with small groups as well as his pastoral record make him especially qualified to serve as the guest evangelist. He will serve as the moderator for the concluding report meeting on Friday and Saturday evenings and will gather together ideas expressed in his sermon on Sunday.

The Commission on Membership and Evangelism of the church has planned the program which they call "Exchange Evangelism." The word exchange is used because on the week end of April 2-4 the Bethel pastor will serve the same function in the program of the Strong and Phillips Methodist Churches as Rev. Hoffman will here. Stanley Brown is chairman of the commission, and other members: Richard Blake Jr., Mrs. Burton Abbott, Mrs. Norman Dock, Mrs. Earl Davis, Stanley Davis, Don Christen, and Mrs. Donald Hess.

GOULD CARNIVAL SCHEDULED FOR THIS WEEK END

The Gould Academy Winter Carnival sponsored by the Outing Club will begin Friday, March 12, with the Inter-Class Giant Slalom. The classes will have their best skiers out as well as the beginners for the Class C. competitions. This will begin at 1:30 and will be held at the Sunday River Skiway. The coronation of the queen will be held at 8:00 the same day on the athletic field.

The program for Saturday will begin with the Inter-class Contests at 10:00 a. m. These contests include toboggan races, snowshoe races, and various obstacle races. At 12 o'clock the classes will be scurrying around to put the finishing touches on the sculptures before the judges come around.

The long awaited Carnival Ball will complete the week end by adding a little glamour after the previous days of hard work. The dance will be held in the William Bingham Gymnasium from 8:00 to 11:30.

HOW TO CUT HEAT COSTS

6 tips that can help you get more warmth from your heating oil dollars

1. Keep your oil burner clean. Today's Shell Heating Oil contains special additive FOA-SX. It helps keep critical burner passages free from clogging—to assure better firing.

2. Guard against tank rust. Shell's anti-rust treatment helps protect your storage tank up to three full years, at no extra cost.

3. Check your thermostat location. If your thermostat is in a stairwell,

on an outside wall or near an outside entrance—it may cause your burner to operate more often than necessary.

4. Shut off radiators or registers in rooms that aren't in regular use.

5. When fireplaces are not in use, make sure dampers are securely shut.

6. Keep attic ventilators closed during the heating season. Call us today for the finest in heating oil service.

20 SECONDS WITH THE NAZARENE
In the history book we read the story of Louis XII, who when he became king of France made a list of all those who had been his enemies during the period when there was a struggle for the throne. Before each of these names he placed a large, black cross. When the news of this act spread, the enemies whose names had been placed on the list fled the country, fearing for their safety. When the king heard of their fear, he had them sought out and brought back to the palace, where he told them that he had placed a cross beside each name, not to suggest revenge, but to remind him of the cross of Christ and the example of our Lord, who prayed, "Father, forgive them, for they know not what they do." —Melvin McCullough

DANIEL R. SMITH

Daniel Ruel Smith died yesterday, March 10, at his home on Church Street after many years of poor health.

He was born in Newry, March 23, 1876, and moved to Bethel at an early age. He graduated from Gould's Academy in 1894 and taught school for a short time. For many years he was employed by the Van Telephone and Telegraph Company.

On June 20, 1925, he married Miss Alice French.

Besides his widow, he is survived by a daughter, Mrs. Marcia Hamelton of Bridgeport, Conn.

Private funeral services will be held Saturday, March 13 at 2 p. m. at the Greenleaf funeral home, Rev. Donald Hays officiating. Visiting hours Friday evening, 7 to 9. The family requests no flowers. Burial will be at Woodlawn Cemetery in the spring.

Following custom we weep at the passing of old and beloved citizens. These tears are selfish, they have earned the blessed rest.

Our neighbor was a staunch and typical State of Mainer. His was the proud heritage of a pioneer family.

He was a man who never knew an enemy. Every person was his friend.

Frail of body, stout of heart and keen of mind he served this section of Oxford County as an expert electrician and telephone man for more than half a century.

A voracious reader and student of history, his enforced retirement gave well deserved leisure for precious books.

A robust sense of humor and an excellent memory made his reminiscences popular.
